Any problems with anesthesia?		
Any: cancer, cardiac disease, diabetes, seizures *(circle, if yes)*		
Other:		

DO YOU HAVE A HISTORY OF	**YES**	**NO**
Any problems with anesthesia?		
Blood products or transfusion?		
If yes, any reaction?		

PAST MEDICAL/SURGICAL HISTORY

Please list any surgery to your spine, shoulders, arms, or hands before or after your spinal cord injury:

List previous any other surgeries, hospitalizations/major illnesses or anything else we may have missed:

Form completed by: **Relationship:**

COMMENTS:_____

What is your HEIGHT :_____ WEIGHT :_____ Physician sign/date : _____

Once this screening form is completed, you will need to fax the form along with the required medical records to (314) 367-0225, ATTN Dr. Fox & Marci Damiano, RN.

If you do not have access to a fax, medical records can be mailed to:

Washington University School of Medicine
Division of Plastics & Reconstructive Surgery
ATTN: Dr. Ida Fox/Marci Damiano, RN
660 S. Euclid Ave, Campus Box 8238
St. Louis, MO 63110

The required medical records include-

- A comprehensive letter of introduction from your primary care or rehabilitation medicine physician detailing the ASIA/ICSHT classification of your spinal cord injury and description of the functional use of both hands. We must know if elbow flexion and wrist extension are intact. The letter will also need to include the condition of your upper extremities with joint stability, range of motion, spasticity, and contracture.
- Progress notes of physical therapy/rehabilitation program.
- Operative notes from previous spinal surgeries and surgeries to the shoulders, arms, and hands.
- Demographics (address, phone number, date of birth) and health insurance information.

Office use only: *Revised 12/20/2012*
